Arts Administration

As a freelance choreographer and dance teacher, I have engaged with the administrative aspects of advancing a career in the arts for over a decade, involving activities such as:

- Coordination for performances, workshops, residencies, and tours
- Grant, festival, and residency applications
- Production, technical, and financial management
- Building and maintaining websites, promotional materials, and social media

2014-present *III - Collaborative Choreography & Composition for Stage, Screen, and Page*

Administration for projects in collaboration with composer John MacCallum, as well as dancers and musicians internationally.

2006-2015 *Naccarato Dance*

Coordination and promotion for my choreographic works developed between 2006-2015, primarily based in Montreal with performances internationally.

2006-2010 *Nacando Productions*

Administration for Dance for Camera company in collaboration with Filmmaker Desh Fernando, including technical direction.
